Unisys may remove these Tools at will and Client gives Unisys permission and access to Client's site to do so.

Section 5 – Personal Data

Personal Data may be provided to or accessed by Unisys under this Agreement. Client and Unisys will comply with their respective obligations under applicable data protection and privacy laws and regulations. Client warrants that the processing of Personal Data in connection with this Agreement will not place Unisys or its subcontractors in breach of any data protection and privacy laws or regulations, and that Client has obtained all necessary consents and permissions to permit such processing. Unisys will implement and maintain commercially reasonable administrative, technical and physical safeguards to protect Personal Data processed by Unisys from unauthorized access, disclosure, or use, and accidental or unlawful destruction, loss, or alteration. Unisys will not process Personal Data for any purpose other than to provide Services to Client. Unisys may transfer Personal Data outside of the country of origin as required for the Services and disclose Personal Data to another if the disclosure is (1) required by law, regulation, or judicial or government order, (2) requested by individuals exercising their rights to access, amend, transfer, or delete their Personal Data; (3) requested by a competent government authority; (4) made pursuant to Client direction, or (5) made to another that either (a) performs services on behalf of Client or Unisys and the disclosure is made in order to perform the Services, or (b) performs clerical, administrative, technical, or security-related services for Unisys and such disclosure is incidental to the performance of such services, and (c) agrees to maintain the confidentiality of disclosed Personal Data consistent with this Agreement. Unisys shall retain Personal Data only for so long as necessary to provide the Services in accordance with this Agreement. Unisys will, as soon as reasonably practicable, return in the format then stored, or, if Client so elects, destroy (and in the case of such destruction, certify, on reasonable notice, that such destruction has taken place) Personal Data upon Client's request or the termination of this Agreement. In the event of a Security Incident, Unisys shall (1) promptly notify Client, (2) investigate and take reasonable steps to mitigate any harmful effects of the Security Incident, (3) reasonably cooperate with Client, and (4) take any remedial actions required by law.

Section 6 – License

Unisys either licenses Software directly or distributes Software. In either case, Client does not obtain ownership of Software. If Unisys licenses or distributes any Software with a separate license agreement, that separate license agreement is incorporated in this Agreement by reference and will apply to that Software. In the case of Software licensed under an open source license agreement, nothing in this Agreement shall be read to add additional conditions or restrictions, or affect any rights or obligations Client may have, pursuant to any such open source license. Otherwise, the

following license terms will apply:

Licenses begin upon Unisys shipment of the Software on computer readable media or when the Software is made available for download or use or, in the case of renewals or extensions, upon the renewal or extension. Unisys licenses each copy of the Software and documentation to Client on a personal, non-exclusive and non-transferable basis for Client's internal use according to this Agreement on a single machine unless the ordered License Plan provides otherwise. The License Plan for the Software may specify additional limitations, such as on the number of users or concurrent users. Client may use the Software temporarily on a backup machine provided the Software is used on only one (1) machine at a time (where applicable) and Client removes the Software from the backup machine promptly after each temporary use. For Software installed by Unisys, Client grants Unisys the right to accept any click wrap software license on its behalf.

CLIENT SHALL NOT USE THE SOFTWARE IN CONNECTION WITH ANY SYSTEM WHERE MALFUNCTION CAN REASONABLY BE EXPECTED TO RESULT IN PERSONAL INJURY, DEATH, OR DAMAGE TO TANGIBLE PROPERTY OR TO THE ENVIRONMENT. WITHOUT LIMITING THE FOREGOING, THE SOFTWARE SHALL NOT BE USED IN CONNECTION WITH ANY LIFE SUPPORT OR PATIENT CARE SYSTEM, NUCLEAR FACILITY, AIRCRAFT OPERATION, AIR TRAFFIC CONTROL, OR OTHER APPLICATION REPRESENTING A SIMILAR DEGREE OF HAZARD. CLIENT AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS UNISYS AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AND AFFILIATES FROM ANY CLAIMS OR LOSSES RESULTING FROM ANY OF THE FOREGOING USES OF THE SOFTWARE.

Client will not copy Software except for a reasonable number of copies necessary to exercise the rights granted, which must bear all the legends and notices of the original item. Client will not create, copy, deduce or attempt to create, copy, deduce (by reverse engineering, disassembling or otherwise) the source code, internal structure, design architecture or organization of the Software, except and only to the extent expressly permitted by applicable law. Client shall not, nor shall Client encourage or permit others to, interfere with or alter any initialization system, or license authentication techniques. Upon notice to Client, Unisys may audit Client's use of the Software to determine Client's compliance with this license provided Unisys complies with Client's customary security rules and does not unreasonably interfere with Client's permitted use, and in such event, Client agrees to provide relevant information and reasonable facilities. Unisys may require Client to update the Software and Client shall replace the Software with the copy containing the updates upon receipt. Any updates provided by Unisys shall be Software under this Agreement.

SOFTWARE LICENSES END 60 MONTHS AFTER THE START OF THE LICENSE UNLESS THE ORDERED LICENSE PLAN OR DESCRIPTION PROVIDES OTHERWISE.

Unisys reserves any rights not expressly granted.

Section 7 – Software Warranties

Unisys warrants that Unisys Software will conform substantially to the then-current published functional specifications for 90 days from shipment or when made available for use or download. Unisys will make reasonable efforts to provide a workaround or correction for material errors in Unisys Software that prevent its use in a production environment that Client reports in writing to Unisys during this warranty period. This warranty does not extend to non-conformities resulting from accident, misuse, disaster, or alterations, modifications or services not provided or authorized by Unisys. The warranty does not apply to Unisys Software licensed on an "AS IS, WITH ALL FAULTS" basis nor to Unisys Software licensed to Client under a renewal, extension, or subsequent license.

Section 8 – Services

For Products enrolled under Support Services, Unisys will use commercially reasonable efforts according to the service plan in which Client is enrolled or to which Unisys determines Client is entitled at the time Unisys receives Client's service request to:(a) diagnose and repair equipment that does not work according to the manufacturer's specification because of normal wear and tear, provided the equipment is in good working order at the start of the Support Services, is properly configured at the minimum hardware and software levels designated by Unisys, and provided Client complies with the manufacturer's instructions for the proper use, care, supplies, and environment for the equipment; and (b) diagnose and provide to Client workarounds or corrections for (i) material defects in the currently- supported version(s) of Unisys Software that prevent Client's use of such Software in a production environment; and (ii) non Unisys Software according to the support made available to Unisys for Client's benefit by the manufacturer. Unisys shall perform the Unisys Services in a competent and workmanlike manner using individuals of suitable training and skills.

Section 9 – No Other Warranties

Unisys makes no other warranties. Non-Unisys Products and non- Unisys Services are provided "AS IS, WITH ALL FAULTS" and without Unisys warranty. Client agrees to look solely to warranties and remedies provided by the respective manufacturer, supplier, or publisher of non-Unisys Software and non-Unisys Services, if any. Except as specifically described in the Limitation of Liability, Client agrees that Unisys will have no liability for any non-Unisys Products or non-Unisys Services, even if Unisys recommended, approved, or directly or indirectly supplied these items to Client. TO THE EXTENT PERMITTED BY LAW, UNISYS DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. SOFTWARE IS NOT ERROR-FREE. UNISYS DOES NOT WARRANT UNISYS WILL CORRECT ALL SOFTWARE ERRORS. UNISYS DOES NOT WARRANT THAT THE FUNCTIONS OF THE SOFTWARE WILL MEET CLIENT'S REQUIREMENTS OR THAT THE SOFTWARE WILL OPERATE IN COMBINATIONS SELECTED FOR USE BY CLIENT.

BAD ACTORS CONTINUE TO DEVELOP NEW TECHNIQUES TO INTRUDE IN NETWORKS, ATTACK NETWORKS, OR TO CREATE OR EXPLOIT SECURITY RISKS OF NETWORKS. UNISYS DOES NOT WARRANT THAT THE SOFTWARE OR ANY OF ITS SECURITY FEATURES OR ANY EQUIPMENT, SYSTEM OR NETWORK ON WHICH, OR IN CONNECTION WITH WHICH THE PRODUCT IS USED, WILL BE FREE OF VULNERABILITY TO INTRUSIONS, ATTACKS, OR SECURITY RISKS. Unisys warranties extend solely to Client. The following language relates only to Products subject to U.S. federal or state consumer warranty laws: If the disclaimer of implied warranties does not apply to Client, Unisys limits the length of these warranties to the applicable Unisys warranty period. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to Client. This warranty gives Client specific legal rights, and Client may have other rights, which vary from state to state.

Section 10 – Limitation of Liability

CLIENT'S SOLE AND EXCLUSIVE REMEDIES FOR DAMAGES FROM ANY CAUSE RELATED TO OR ARISING OUT OF THIS AGREEMENT OR THE PRODUCTS AND SERVICES. REGARDLESS OF THE LEGAL THEORY, WHETHER BASED ON NEGLIGENCE, BREACH OF CONTRACT, WARRANTY OR OTHER LEGAL THEORY, WILL BE THOSE PROVIDED IN THIS AGREEMENT.
IN NO EVENT WILL UNISYS, ITS SUPPLIERS, RESELLERS OR SUBCONTRACTORS BE LIABLE IN CONNECTION WITH THIS

AGREEMENT OR THE PRODUCTS AND SERVICES UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY (I) CONSEQUENTIAL, INDIRECT, EXEMPLARY, ENHANCED, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES; (II) LOST PROFITS, LOSS OF USE OR LOSS OF ANTICIPATED SAVINGS OR REVENUE (WHETHER DIRECT OR INDIRECT); (III) DAMAGE TO OR LOSS OF DATA; OR (IV) LOSS OF GOODWILL, REPUTATION OR OTHER DIMINUTION IN THE VALUE OF THE CLIENT'S BUSINESS, IN EACH CASE WHETHER UNISYS, ITS SUPPLIERS, SUBCONTRACTORS, OR RESELLERS WERE ADVISED OF THE POSSIBILITY OF THE LOSSES OR DAMAGES OR THE LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE.

IN NO EVENT WILL THE TOTAL AGGREGATE LIABILITY OF UNISYS, ITS SUPPLIERS, RESELLERS AND SUBCONTRACTORS ARISING OUT OF OR RELATED TO THIS AGREEMENT, INCLUDING FOR THE PRODUCTS OR SERVICES OR BOTH, UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE EXCEED THE GREATER OF $5,000 USD OR THE CHARGES PAID TO UNISYS FOR THE PRODUCTS AND SERVICES THAT ARE THE SUBJECT OF THE CLAIM IN THE 12 MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

Section 11 – Ideas

Any ideas, concepts, know-how, data processing techniques, software, documentation, diagrams, specifications, schematics, processes, templates, tools or blueprints developed (alone or jointly with Client) by Unisys personnel will be and remain the property of Unisys. To the extent Unisys incorporates any of the foregoing in the Unisys Software licensed to Client, any Software modification, customization or enhancement is licensed on the same terms as the underlying Software.

Section 12 – Termination

THIS AGREEMENT, INCLUDING UNISYS OBLIGATION TO PROVIDE ANY ORDERED SUPPORT SERVICES AND THE LICENSE FOR ANY UNISYS SOFTWARE ENDS UPON CLIENT'S BREACH OF THIS AGREEMENT. In addition to Unisys rights set out in the support plan descriptions, Unisys may suspend or terminate Unisys Support Services if Unisys does not receive payment for Unisys Support Services charges from Unisys Reseller through whom Client purchased the Unisys Support Services in accordance with the payment terms as agreed between Unisys and its Reseller, provided that Unisys shall first provide Client with at least ten (10) days written notice and opportunity to pay the applicable Unisys charges directly. Any terms of this Agreement that by their nature extend after the end of the Agreement will remain in effect until fulfilled. The rights or duties relating to protection of Confidential Information, indemnities, and compliance with import and export regulations will survive termination of this Agreement.

Section 13 – Dispute Resolution

Any controversy or claim arising out of or relating to this Agreement, or the breach of this Agreement, shall be settled by arbitration, which will be mandatory and binding for Unisys and Client. Arbitration shall be conducted before a single arbitrator and, if Client is not a US person or entity, administered by the International Centre for Dispute Resolution in accordance with the provisions of its International Arbitration Rules or, if Client is a US person or entity, administered by the American Arbitration Association in accordance with the provisions of its Commercial Arbitration Rules. The arbitrator will have no authority to award punitive damages. The place of arbitration shall be New York, New York, USA. The language of the arbitration shall be English. The costs of the arbitration will be borne equally by Unisys and Client. Unisys will bear its internal expenses and its attorney's fees and expenses and Client will bear its internal expenses and its attorney's fees and expenses.

Nothing in this section will preclude, delay, or affect recourse to a court of competent jurisdiction by: (i) Unisys or Client to compel arbitration or enforce an arbitration award; (ii) Unisys or Client to seek temporary equitable relief; (iii) Unisys or Client to recover specific property; or, (iv) Unisys for a suspected violation of Unisys' intellectual property rights.

No arbitration or any legal action, regardless of its form, related to or arising out of this Agreement, may be brought more than two (2) years after the cause of action first accrued, except for any action by Unisys for a suspected violation of Unisys' intellectual property rights.

Section 14 – No Third Party Beneficiaries

No person other than Unisys or Client (including any employee, officer, agent, representative or sub -contractor of Unisys or Client) shall have the right (whether under statute or otherwise) to enforce any term of this Agreement that expressly or by implication confers a benefit on that person unless Unisys and Client give their advance written agreement, which agreement must refer to this paragraph, or unless the applicable Unisys License Plan expressly confers a benefit on that person. Even if a person other than Unisys or Client (including any employee, officer, agent, representative or sub-contractor of either party) has a right to enforce any term of this Agreement despite the immediately preceding sentence, Unisys and Client may vary or cancel this Agreement by agreement without the consent of the person.

Section 15 – Other Provisions

Client and Unisys agree that the language of this Agreement shall be English. Neither Unisys nor Client will be liable for failure to fulfill its obligations when due to causes beyond its reasonable control, excluding payment of monies due. Any failure or delay in exercising any right or remedy will not be a waiver. Each provision of this Agreement is severable. THE LOCAL LAW OF THE **STATE OF NEW YORK, USA,** WILL GOVERN THIS AGREEMENT, WITHOUT REGARD TO CONFLICTS OF LAWS PROVISIONS. This Agreement may only be modified by a writing signed by a duly authorized representative of Unisys. Unisys may change a Schedule (for example and not limitation to change license plans and descriptions or to change support service plans) at any time and for any reason, by posting the changed Schedule at a Unisys website, with or without notice to Client. Client may not assign or transfer Client's rights or obligations under this Agreement without the prior written consent of Unisys. Unisys may subcontract Services to third parties. Client shall comply with all laws and regulations of each applicable jurisdiction, including laws and regulations related to the use, disclosure, transfer, import, export or re-export of the Products and related products and services. Technology included in the Products is subject to limitations on encryption technology imposed by the United States and other governments. Information about the United States government limitations may be found at https://www.bis.doc.gov. Client agrees not to export or re-export the Products contrary to applicable United States export law (including without limitation the Export Administration Regulations ("EAR"), Office of Foreign Asset Control ("OFAC") regulations and any other applicable regulations). Client shall not transfer, import, export, or re-export the Products, directly or indirectly (i) to a United States embargoed country; nor (ii) to any person or entity on a denial list published by the United States government. Client shall not use, nor permit others to use, the Products for any end use prohibited by United States law or other applicable law including use in the design, development, production, stockpiling, or use of nuclear devices, missiles, chemical or biological weapons, or other weapons of mass destruction. Client represents and warrants that Client is not: subject to any sanctions by the United States government or listed on any denial list published by the United States government, or a national or entity of, (or located in), a country subject to a United States embargo such as the countries listed in Country Group E of Supplement No. 1 to Part 740 of the EAR or Part 746 of the EAR, or both. If Client acquires a subscription or license to the Software in a Cloud

Based Storefront; Client shall not transfer the Software, including any part or copies of the Software or any executable files derived from the Software, out of the public cloud of the provider of the Cloud Based Storefront; and, Client shall not spoof, defeat, circumvent, or disable any copy protection mechanism or execution/run-time protection mechanism of, or related to, the Software including any mechanism(s) to limit the Software's location or execution, or both, solely to the public cloud of the provider of the Cloud Based Storefront. All notices from Client under this Agreement shall be addressed to the office that services Client, with a copy to the Unisys Law Department, 801 Lakeview Drive, Suite 100, Blue Bell, PA 19422.

Section 16 – U.S. Federal Government Terms

(This Section applies only if Client is a U.S. Federal Government end user.) THE SOFTWARE AND ANY ACCOMPANYING DOCUMENTATION ARE COMMERCIAL ITEMS THAT HAVE BEEN DEVELOPED ENTIRELY AT PRIVATE EXPENSE. THEY ARE DELIVERED AND LICENSED AS COMMERCIAL COMPUTER SOFTWARE AND COMMERCIAL SOFTWARE DOCUMENTATION WITHIN THE MEANING OF THE APPLICABLE U.S. FEDERAL ACQUISITION REGULATION(S). THE LICENSE CONTAINED IN THIS AGREEMENT PRESCRIBES EXCLUSIVELY THE GOVERNMENT'S USE AND DISCLOSURE OF THE SOFTWARE AND DOCUMENTATION.

To the extent any provisions of this Agreement are invalid or unenforceable as applied to contracts with the U.S. Federal Government, applicable laws or regulations apply, including U.S. Federal Government acquisition regulations (e.g., FAR, DFARS), the Contract Disputes Act of 1978, and 28 U.S.C. §516.   All other provisions of the Agreement remain in effect.

Section 17 – Entire Agreement

If Client purchased Products or Services or Products and Services from a Unisys entity directly under a separate agreement then that separate agreement shall apply to such Products and Services and this Agreement will not apply; otherwise, this Agreement, including the Schedules, is the entire agreement between Client and Unisys for the Products and Services that are the subject of this Agreement and supersedes all prior related proposals, agreements, and all other communications between Client and Unisys for these matters. Unisys rejects any terms in any purchase order or other document issued by Client to Unisys or Reseller that are additional to or different from the terms of this Agreement. Client agrees that any additional or different terms shall have no force or effect. To the extent any provision of this Agreement is contrary to applicable law, unenforceable under applicable law, or declared invalid then the provision shall be deemed severed and shall have no effect; the remaining provisions will continue to have effect.
